FESTIVAL STAR... Natalia Clare, cofounder of la Ballet Jeunesse, and her husband, Oleg Tupine, will be a highlight of the annual May Festival of the Arts to be presented at the Redondo High School auditorium on May 19, 20, and 21. Their performance will be accompanied by the Torrance-South Bay Civic Symphony under the direction of Miss Elyse Aehle.

Noted Ballet Team to Highlight  
Annual May Festival of the Arts

The widely acclaimed Ballet la Jeunesse, featuring the husband and wife team of Oleg Tupine and Natalia Clare, founders of the ballet, will highlight the annual May Festival of the Arts scheduled for the Redondo High School auditorium next week end, May 19, 20, and 21.

The full symphony of the Torrance-South Bay Civic Symphony, under the direction of Miss Elyse Aehle, will accompany the Ballet la Jeunesse, which has received high critical acclaim since its founding in 1958.

TUPINE is the son of a colonel in the Czar's army, and was born aboard a ship in the harbor of Istanbul. He was educated in Paris and received his ballet training with the noted Russian ballerina, Lubov Egorova.

He rose in the ranks to become the premier danseur in Col. DeBasil's Original Ballet Russe, making his debut at Covent Garden, London. In 1949, he joined the Ballet Russe de Monte Carlo, where

he starred as partner to the great ballerinas Markova, Danilova, Chauvire, and Slavenska.

NATALIA Clare joined the Ballet Russe while still in her early teens, and became a principal dancer in the company. She went on to dance leading roles in "Sylphides," "Gaiete Parisienne," "Raymonda," "Beau Danube," and others.

Preceding the ballet program, which is scheduled for 8:15 p.m. on May 20, the Civic Symphony will play Josef Haydn's Symphony No. 103, considered to be of his greatest works. A suite of Khatchaturian numbers will include the "Dance of the Rose Maidens," "Lullaby," and "Sabre Dance."

LA BALLET Jeunesse will perform the ballets, Aquarelle Espagnol and Balletiques.

An art show collected from various art groups of the area will be on exhibition at the school from 5 p.m. on May 19 and from 2 p.m. on May 20. It will be open from 2 to 5 p.m. on Sunday, May 21, and then will close.
